

Adding variable products – this is for when you have multiples of one style, colour etc –

Change your product type to Variable product at the top of the screen

Add your colour choices here- or whichever variation you need.

The screenshot shows a web browser window with the URL <https://marketplace.romseymakers.co.uk/store-manager/products-manage/3/082/>. The page features a navigation bar with the following links: HOME, ABOUT, STORE LIST, ALL PRODUCTS, MY ACCOUNT, STORE MANAGER (highlighted in green), and LOGOUT. A search bar on the right contains the text "Shop and search results".

On the left side, there is a dark sidebar menu with the following items: Inventory, Shipping, Attributes (highlighted in green), Variations, Linked, Fancy Product, Yoast SEO, and Add-ons.

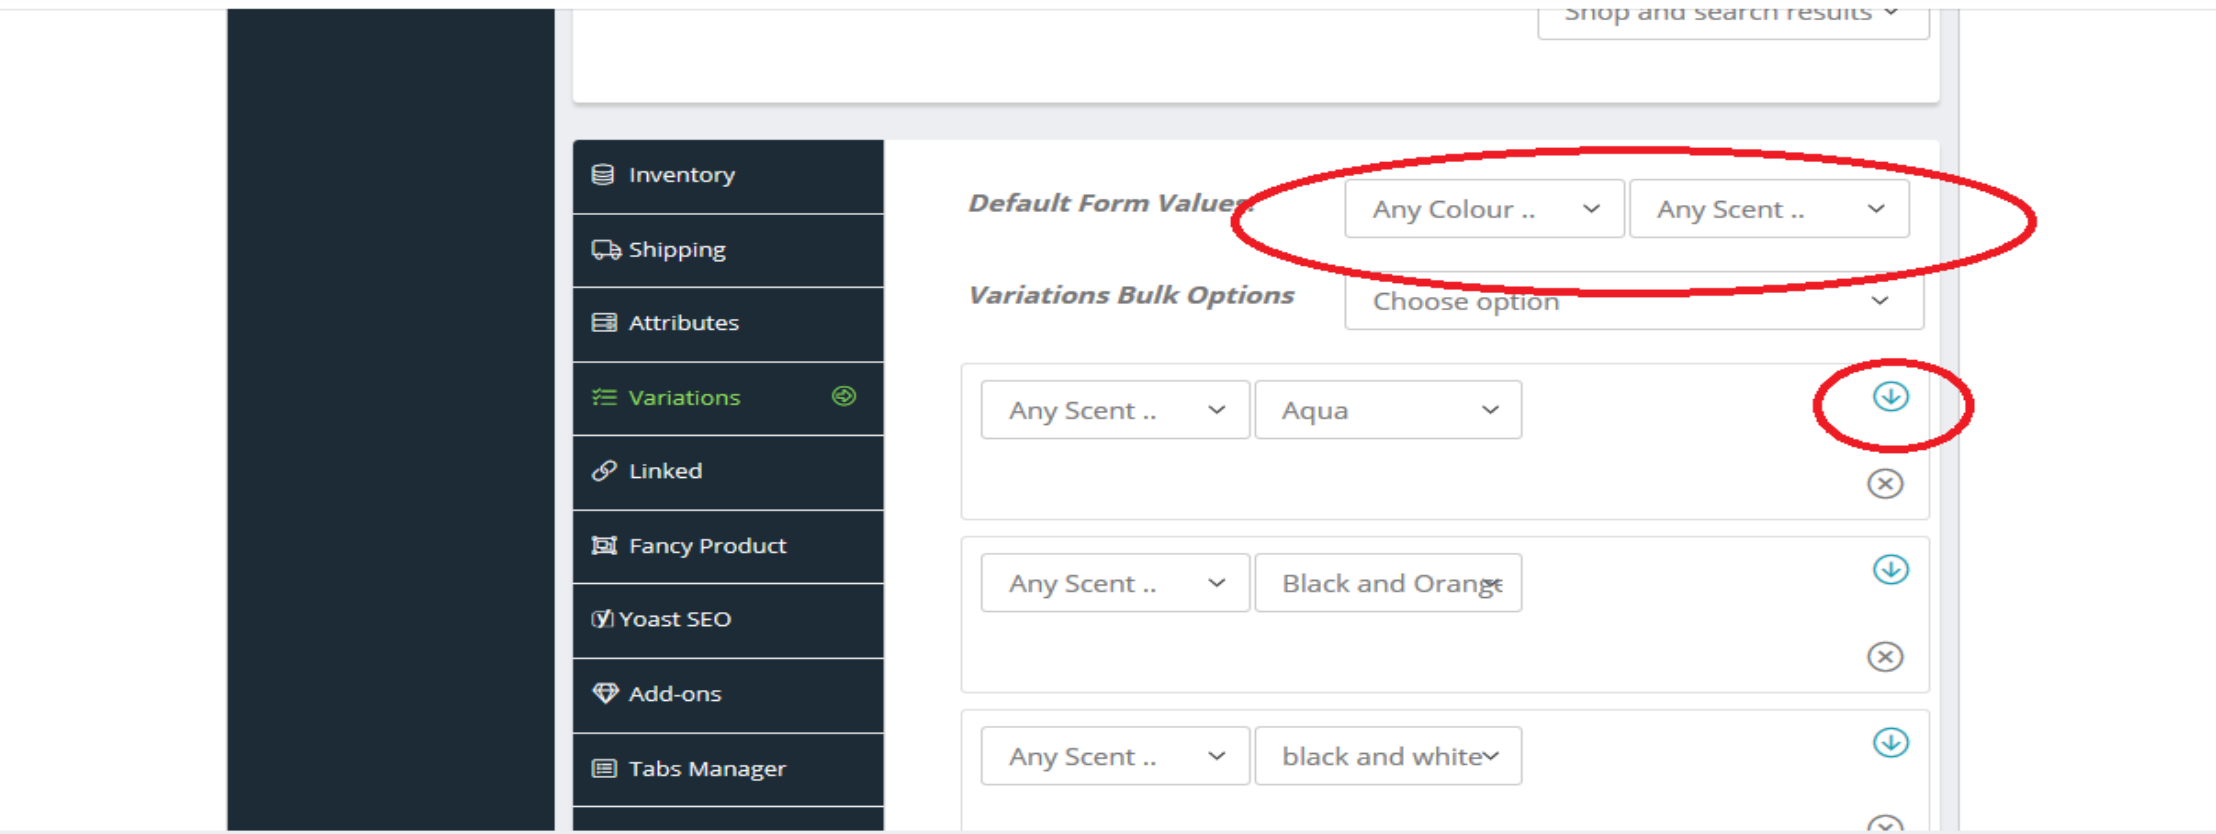

The main content area is titled "Attributes" and contains a list of attribute options, each with a checkbox and a dropdown arrow:

- Age
- Colour (circled in red)
- Envelope colour
- Glitter Colour

The image shows a sidebar menu on the left with the following items: Inventory, Shipping, **Attributes** (highlighted with a red circle), Variations, Linked, Fancy Product, Yoast SEO, Add-ons, Tabs Manager, and Product Labels. The main content area is titled 'Attributes' and contains the following elements:

- An 'Age' attribute entry with a checkbox and a dropdown arrow.
- An 'Active?' checkbox which is checked.
- A 'Name' field containing the text 'Colour'.
- A 'Value(s):' dropdown menu with the placeholder text 'Search for a attribute ...'.
- Three buttons: 'SELECT ALL', 'SELECT NONE', and 'ADD NEW'.
- A 'Visible on the product page' checkbox which is checked.
- A 'Use as Variation' checkbox which is checked and highlighted with a red circle.

Save as a draft at this stage – then go back into the menu and choose variations

When you click on the down arrow – this is the screen you will see. Fill in all the relevant boxes (You will only have one drop down if you have only one option on variables – colour for example).
